

Trustee Nominations

Mr. Comfort Mabanga

Comfort is a Sourcing & Contracts Manager at Thungela. His key focal area is Sourcing and Contracts Management. He joined Thungela after spending 6 years at Accenture servicing Glencore Coal. Other previous employers include De Beers and Mittal. Comfort has 24 years of experience in Supply Chain, Procurement, Contracts Management and Sourcing. Comfort has a master's in business administration from the Gordon Institute of Business Science and a B-tech Degree in Industrial Engineering from UNISA.

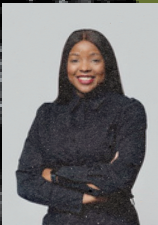

Mr. Letlotlo Modise

Letlotlo is a Human Resources Manager at Thungela. He has over ten years' intense HR generalist experience responsible for employee relations and stakeholder relationships. He has an MTech in Labour Relations Management and has completed the Medical Scheme Trustee Leadership Development Program through the Gordon Institute of Business Science. Letlotlo has served on the Board of Trustees of WCMAS for four years to date and is currently on the Scheme's Remuneration and Nominations & Advisory Committees.

Mr. Tebogo Mohale

Tebogo is an Internal Assurance Specialist at Thungela. He is a professional internal auditor registered with the Institute of Internal Auditors. He has broad experience in internal audit, risk assessment and controls evaluation having worked for prominent companies such as Implats, Goldfields, Samancor, Basil Read, and Eskom and Thungela. Tebogo is also a committee member and secretariat of the Northwest Regional committee of the Institute of Internal Auditors.

Ms. Nomthandazo Ndebele

Nomthandazo is a finance professional with 17 years of experience in internal auditing, management accounting, payroll, supply chain, and financial reporting. She is currently a Finance Manager at Seriti Resources. Nomthandazo holds a master's in business administration from the Gordon Institute of Business Science (GIBS), which she pursued to deepen my understanding of leadership and strategy, and to expand her network with leaders from diverse backgrounds. Additionally, she has completed both Bachelor of Commerce and Bachelor of Law degrees.

Mr. Riaan Prinsloo

Riaan is currently a financial manager at Thungela. He has developed a broad skillset over his career spanning 25 years in the mining industry. He has worked with financial management, project management, developing computer systems, has looked at business process optimization, procurement management and contracting. Riaan holds a National Diploma in Cost and Management Accounting. Riaan has served on the Board of Trustees of WCMAS for four years to date and is currently on the Scheme's Investment and Audit & Governance Committees.
