WELLNESS PACKAGES

WCMAS is proud to introduce our **Wellness Packages**, created to help members take charge of their health through proactive care. These packages are designed to encourage early diagnosis, timely treatment, and an overall improved quality of life.

Our Wellness Goals

- **Early Detection:** Identify potential health risks and conditions before they become serious.
- **Faster Treatment:** Ensure quicker access to the care you need for better health outcomes.
- **Healthier Living:** Support long-term wellbeing through lifestyle awareness and preventative care.

Wellness Packages Designed Just for You

At WCMAS, we understand that your health needs change throughout life. That's why we offer tailored Wellness Packages created to support you - no matter your age or life stage. Each package provides preventative care, screenings, and guidance to help you stay healthy and informed.

You can choose the package that best suits you or your family:

1. Men's Wellness Package
2. Women's Wellness Package
3. Teen's Wellness Package
4. Childhood Wellness Package
5. Baby & Toddler Wellness Package
6. Mother-to-Be Wellness Package

By completing any of these Wellness Packages, you'll also unlock your Reward Funds once a valid Wellness claim is submitted, giving you access to your Wellness Rewards
